It is my pleasure to announce Kayt Conrad will be joining the Division of Operations and Finance as the Director for Divisional Business Administration on May 16, 2022.

Kayt will be coming from the University of Iowa as the Divisional Administrator for the Division of Performing Arts. Prior to the University of Iowa she was the Dean of Arts and Humanities at Kirkwood Community College. I am excited about her background in higher education as well as her years of knowledge and experience in budget, leadership, finance, and many other areas. Kayt is eager to help us develop and enhance our divisional fiscal strategies.

Kayt will have an office in 1350 Beardshear Hall and can be reached at mconrad@iastate.edu.

Please join me in extending our warmest welcome to Kayt as she begins her adventure at Iowa State.
